CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM. The principal means of information dissemination on GEM is publication on the Internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at www.hkgem.com in order to obtain up-to-date information on GEM listed issuers.

Li Kin Shing
Chairman

This is an explanatory statement given to all shareholders of the Company, as required by the GEM Listing Rules, to provide requisite information of the Repurchase Mandate.

1. GEM LISTING RULES FOR REPURCHASES OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on GEM subject to certain restrictions, the more important of which are summarised below:

(a) Shareholders' approval

All proposed repurchase of securities on the Stock Exchange by a company with primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the relevant resolutions. The Company's authority is restricted to purchases made on GEM in accordance with the GEM Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 1,037,500,000 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the AGM, would accordingly result in up to 103,750,000 Shares being repurchased by the Company.

(c) Reasons for repurchase

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase as and when appropriate and is beneficial to the Company. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share. As compared with the position of the Company in its financial statements for the year ended 31 December 2012 (being the most recent published audited accounts), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be made in full during the proposed repurchase period. However, the Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(d) Funding of repurchases

Repurchase of the Shares will be funded out of funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands. The Company is empowered by its memorandum and articles of association to repurchase its Shares. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the Cayman Islands law, the repurchased Shares will remain part of the authorised but unissued share capital.

(e) Connected persons

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates (as defined in the GEM Listing Rules) of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Company's shareholders, to sell Shares to the Company. As at the Latest Practicable Date, no connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares. The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and any applicable laws of the Cayman Islands.

(f) Effect of takeovers code and minimum public float

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers ("Code"). As a result, a shareholder, or a group of shareholders acting in concert (within the meaning under the Code), depending on the level of increase in the shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, the register of the shareholders maintained by the Company pursuant to Section 336 under Part XV of the SFO showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholders	Number of shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Mr. Li Kin Shing (<i>Note 1</i>)	730,000,000	70.36%	78.18%
Ms. Kwok King Wa (<i>Note 2</i>)	730,000,000	70.36%	78.18%
New Everich Holdings Limited (<i>Note 3</i>)	696,250,000	67.11%	74.56%

Notes:

1. Among the 730,000,000 Shares, 696,250,000 Shares are owned by New Everich Holdings Limited which is owned as to 54% and 46% by Mr. Li Kin Shing and Ms. Kwok King Wa respectively. Mr. Li Kin Shing is the spouse of Ms. Kwok King Wa. Accordingly, Mr. Li Kin Shing is deemed to be interested in the 696,250,000 Shares under the SFO. Mr. Li Kin Shing acquired 33,750,000 Shares on 19 May 2011.
2. Among the 730,000,000 Shares, 696,250,000 Shares are owned by New Everich Holdings Limited which is owned as to 54% and 46% by Mr. Li Kin Shing and Ms. Kwok King Wa respectively. Also, Mr. Li Kin Shing acquired 33,750,000 Shares on 19 May 2011. Ms. Kwok King Wa is the spouse of Mr. Li Kin Shing. Accordingly, Ms. Kwok King Wa is deemed to be interested in the 696,250,000 Shares and 33,750,000 Shares respectively under the SFO.
3. These Shares are beneficially owned by New Everich Holdings Limited.

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Code.

Assuming that there is no issue of Shares in the Company between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase Mandate in whole will result in less than the relevant prescribed minimum percentage of the Shares of the Company being held by the public as required by the Stock Exchange. The Directors confirm that the Repurchase Mandate will not be exercised to the extent as may result in a public shareholding of less than such prescribed minimum percentage.

2. SHARE PURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares (whether on GEM or otherwise) during the previous six months immediately preceding the Latest Practicable Date.

3. SHARE PRICES

During each of the 12 months immediately preceding the Latest Practicable Date, the highest and lowest traded prices for Shares on GEM were as follows:

Month	Price Per Share

2012		
March	0.195	0.168
