This announcement is made by Directel Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

Based on the preliminary review by the board of directors of the Company (the “**Board**”) of the unaudited consolidated management accounts of the Group, the Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a significant decrease in profit for the year ended 31 December 2013 as compared to the profit for the year ended 31 December 2012. Based on the relevant information currently available to the Company, the Board considers that such decrease in profit was mainly attributable to the decrease in turnover as a result of the decrease in the monthly average number of activated phone numbers and decrease of airtime usage by users. The above factors have adversely affected the Group’s revenue as well as its operating results for the year ended 31 December 2013.

As the Company is still in the course of preparing its results for the year ended 31 December 2013, the information contained in this announcement is only a preliminary assessment by the Board based on the information currently available and the unaudited consolidated management accounts of the Group, which have not been reviewed or audited by the Company’s auditors or the Company’s audit committee. The overall financial results of the Group for the year ended 31 December 2013 will only be ascertained when all the relevant results and corresponding treatments are finalised. The results of the Group for the year ended 31 December 2013 are scheduled to be approved and announced by the Board in March 2014. Shareholders of the Company and potential investors are advised to read the annual results announcement of the Company when it is published.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in the shares of the Company.
